

## Price List – Egg freezing treatment

### Female screening tests

*Chlamydia, Gonorrhoea, FBC, Hep B, Hep B core, Hep C, HIV, Rubella* £150

All patients intending to undergo treatment need to undergo screening tests within 3 months of their first treatment cycle and 1 year of subsequent cycles. Female patients must also have had a cervical smear within the last 3 years.

### Egg freezing cycle

*Nurses consultation to complete consent forms and teach injections*  
*Monitoring ultrasound scans and blood tests during treatment*  
*Ultrasound guided egg collection and, sedation for egg collection* £3,300  
*Vitrification of eggs<sup>1</sup>*  
*Review consultation & counselling session in the event of a negative outcome*

---

**Medications<sup>2</sup> (estimate)** £1,200

<sup>1</sup> Please note that cryogenic storage is not included in the above charges:

Cryogenic storage of eggs (per annum) £300

<sup>2</sup> Please note that this is an estimate of the costs for medications as each patient will require a different amount of medications, please refer to our medications packages and individual medications price lists for details.

Patients considering this treatment are advised that frozen eggs will require ICSI in order to be fertilised, please refer to our patient information and price list for that treatment. Furthermore, frozen eggs are not guaranteed to achieve a pregnancy in due course and should be viewed as a back up plan.

### 3-cycle egg freezing package

Items included for each cycle undertaken as part of the package

*Nurses consultation to complete consent forms and teach injections*  
*Monitoring ultrasound scans and blood tests during treatment*  
*Ultrasound guided egg collection and, sedation for egg collection* £8,910  
*Vitrification of eggs<sup>1</sup>*  
*Review consultation & counselling session in the event of a negative outcome*

---

**Medications<sup>2</sup> – per cycle (estimate)** £1,200

Abandoned cycles: cycles abandoned prior to egg collection will be billed for monitoring scans and blood tests plus a £50 cycle cancellation fee; at egg collection, if there are no eggs, we regret no refund can be issued.

Payment terms: treatment charges are due by 1<sup>st</sup> scan and all other charges are payable upon presentation.
