

## Price List – IVF treatment in a natural cycle or with mild stimulation

### Screening tests

Female screening tests (P10: female screen) <i>Chlamydia, Gonorrhoea, FBC, Hep B sAg, Hep B core, Hep C, HIV, Rubella</i>	£150
Male screening tests (P11: male screen) <i>Chlamydia, Gonorrhoea, Hep B sAg, Hep B core, Hep C, HIV</i>	£100

All patients intending to undergo treatment need to undergo screening tests within 3 months of their first treatment cycle and 1 year of subsequent cycles for both the male and female partner. Female patients must also have had a cervical smear within the last 3 years.

### Natural or mild stimulation IVF cycle

<i>Nurses consultation to complete consent forms &amp; teach injections Monitoring ultrasound scans and blood tests during treatment HFEA fees Ultrasound guided egg collection &amp; sedation for egg collection Sperm preparation and fertilisation of eggs Embryo culture to day 3 Ultrasound guided embryo transfer Acupuncture or reflexology for treatment (elective) Progesterone test, pregnancy test &amp; scan Review consultation &amp; counselling session in the event of a negative outcome</i>	£3,000
<b>Medications</b> (please speak to your nurse for details)	-

### Natural or mild stimulation IVF cycle with a deferred embryo transfer

<i>Nurse's consultation to complete consent forms &amp; teach injections Monitoring ultrasound scans and blood tests during stimulation cycle HFEA fees Ultrasound guided egg collection &amp; sedation for egg collection Sperm preparation and fertilisation of eggs Embryo culture to day 3 Embryo freezing by vitrification (does not include storage fees) Monitoring ultrasound scans and blood tests during transfer cycle Thawing of embryos Ultrasound guided embryo transfer Acupuncture or reflexology for treatment (elective, 1 session) Progesterone test, pregnancy test &amp; scan Review consultation &amp; counselling session in the event of a negative outcome</i>	£3,800
<b>Medications*</b>	£1,370

Abandoned cycles: cycles abandoned prior to egg collection will be billed for monitoring scans and blood tests plus a £50 cycle cancellation fee; at egg collection, if there are no eggs or failed fertilisation, or no embryo transfer takes place, we regret no refund can be issued.

Payment terms: treatment charges are due by 1<sup>st</sup> scan and all other charges are payable upon presentation.

PLEASE TURN OVER
